ORDER

Before the Court came BRADLEY CHRISTOPHER STARK and SHAWN MICHAEL RIDEOUT's application for an order confirming the interim awards of the arbitrator made in this matter.

The Court has considered the application and the Exhibits attached thereto. It appears to the satisfaction of the Court that the Court has jurisdiction of this matter, and that the awards of the arbitrator dated February 6, 2016, and February 26, 2016, were properly made and that there is no basis or jurisdiction for vacating, modifying, or correcting the awards. It also appears to the satisfaction of the Court that the arbitration awards were, pursuant to the terms of the Stipulation

and Settlement Agreement, intended to be final and binding on the parties as to equitable relief sought in the bifurcated arbitration proceedings, so that this Court has the power to confirm them under the provisions of Section 9 of the Federal Arbitration Act [9 U.S.C. § 9]. Therefore,

IT IS ORDERED that:

1. The interim awards of the arbitrator in this matter, attached as Exhibits "5" and "6" to the Application, are CONFIRMED;

2. The Clerk is directed to transfer the criminal dockets and all court records from the originating courts to the United States District Court for the Northern District of Georgia, Atlanta Division;

3. The Clerk will merge the Interim Awards into a single judgment and will enter this Court's judgment on the awards; and

4. Upon satisfaction of the judgment as to all parties, the Clerk is directed to administratively close this matter and electronically transfer the docket and all records of these proceedings to the United States Court of Federal Claims for final resolution of the damages phase of the underlying bifurcated arbitration proceedings.

SO ORDERED this 8th day of June, 2016.
